

## FUNCTION OPTIONS

We love to do functions and are delighted that you would like to celebrate your special occasion with us – birthdays, baby showers, kitchen teas or just life itself!

### ALL MY FUNCTIONS INCLUDE THE FOLLOWING:

- Homemade Ginger Beer and Strawberry-Rooibos Ice Tea are served as your guests arrive. In the winter we replace the Ginger Beer with homemade non-alcoholic Gluhwein to fight the cold. The tables are set with our pretty floral crockery, floral runner, material serviettes and fresh roses.  
With love from us- no charge.
- Bottomless Ceylon, Rooibos and Earl Grey tea and Filter coffee will be served throughout your party.
- You are welcome to bring any additional cold drinks or wine (no corkage fee)

### PLEASE NOTE:

You are welcome to add your personal touch décor that does not require “Prestic”, nails/thumbtacks or the use of a Vacuum cleaner afterwards.

### SEATING SESSIONS:

Our stoep is available between either 10h00 and 13h00 or 14h00 until 17h00, Wednesdays to Saturdays.

#### Seating area:

- We welcome you to our beautiful single function venue. We have customized our stoep for you to be able to enjoy your function as if it is at your own home. This means, there are no other guests to interrupt your privacy.
- I charge no venue fee. However, if your function is smaller than 14 guests, a surcharge is applicable.
- The stoep seats up to 24 guests. It is sheltered, yet outside in the fresh air, and overlooks our special garden.
- Strictly **NO SMOKING** please!
